Dear Members,

It is with great sadness that I share with you the passing of our former Club President and Trustee for over 20 years, Dr. Sharon Andelora. Sharon's endless dedication to our community will be immensely missed. Her daughter Wendy Pursell has shared a few words with us in remembrance of Sharon.

Brian Quinn
President, OBBC

Dear Members,

With great sadness, Dr. Sharon Dorner-Andelora's family shares the news of her passing on Monday, January 29th after a long battle with pulmonary fibrosis. She spent a month in ICU giving her daughters and husband additional days to share stories, love and hugs. Even in her final days, she worried about the OB3 club and the community she loved. Sharon's uncle Fred Amborn and family played a key role in the development of this community with a memorial plaque to him at the boat basin. She and Bob loved spending the summers greeting beach goers at walkway 4 every day. Bobby plans to spend the summer doing the same for both of them. Sharon was dedicated to this Ocean Beach 3 community in so many ways carrying on the legacy of the Amborns and Haddons. She was a fighter for what was right, not always what was easy. Who can forget her uncanny knowledge of Roberts Rules!

Please stop and say hello to Bob this summer at 3351 Seaview to share a smile, a laugh or story of his bride of 39 years! Wendy and her husband will spend most weekends at 33 Dolphin (Eleanors house) and welcomes visitors as well. Condolences and remembrances can be shared with their family c/o Wendy Pursell, 4536 Daisy Ave, Orefield, PA 18069. The family plans to do a memorial this summer at the beach in some fashion to celebrate her 80 years of life! The family will be sharing acceptance of donations to continue an education scholarship to high school seniors pursuing a degree in education, soon the logistics are still being worked out. She loved being a teacher almost as much as being retired for 24 years and traveling to Hawaii twice a year!

In her honor, today, share a glass of wine and laugh, sit on the family bench at Walkway 4, or even mix up a frozen mudslide as one of her favorite drinks! She will miss you all!
